ABOUT OUR COMPANY

A Transport Partner for Your Business

NEXTMILE ROADLINES PRIVATE LIMITED

We arrange road transport for raw materials, finished goods, retail supplies, and project cargo. With customers, drivers, and transport partners, we plan each shipment around its load, route, and delivery schedule.

MISSION

Provide dependable transport through clear communication and responsible coordination.

VISION

Become a trusted freight partner across the routes we serve.

VALUES

Reliability, safety, transparency, and commitment to customers.

One Point of Contact Throughout Your Shipment

A clear process from the first shipment details through delivery.

01

Understand the requirement

Confirm the goods, weight, pickup point, destination, and delivery date.

02

Select a suitable vehicle

Match the shipment with the required capacity and body type.

03

Confirm the quotation

Agree on the rate and service requirements before booking.

04

Coordinate the movement

Arrange vehicle placement and stay in contact during transit.

05

Confirm delivery

Follow up on delivery and complete any remaining shipment requirements.

TRANSPORTATION SERVICES

Services for Different Loads and Routes

01 —

Full Truck Load (FTL)

A dedicated vehicle for a complete consignment or bulk shipment.

03 —

Dedicated and Contract Transport

Planned vehicles for regular business requirements.

05 —

E-commerce and Distribution

Warehouse transfers, hub movement, and stock replenishment.

02 —

Part Truck Load (PTL)

Shared transport for smaller, compatible consignments.

04 —

Intercity and Interstate Transport

Freight movement between cities and states.

06 —

Project and Customized Logistics

Transport planning for bulky, heavy, or specialized cargo.

VEHICLE AND FLEET SOLUTIONS

The Right Vehicle for Your Cargo

We arrange vehicles according to cargo weight, dimensions, goods type, route, and loading needs.

VEHICLE CATEGORY	TYPICAL APPLICATION
14, 17 and 19-foot trucks	General cargo and regional distribution
20, 22 and 24-foot trucks	Retail stock and industrial supplies
32-foot containers	Enclosed freight and long-distance transport
Open-body trucks	Steel, construction materials, and bulk cargo
Multi-axle trucks	Heavy industrial consignments
Trailers and specialized vehicles	Machinery and project cargo

Vehicle availability and permitted loading capacity are confirmed for each booking.

Transport Support Across Industries

We plan transport around each industry's goods, handling requirements, and operating schedule.
